Campaign Toolkit

**BUSINESS PARTNERS TO
CONVINCE**

VACCINATION FOR A HEALTHY PLANET

Introduction

Thank you for joining ***Business Partners to CONVINCE (BP2C)*** in the ***There's More To Be Done*** campaign!

BP2C is a global network of employers that agrees to promote vaccine literacy and encourage vaccination among employees. The private sector can play a pivotal role in addressing vaccine hesitancy with its extensive reach and high level of employee trust.

Inside this toolkit, please find creative assets for the campaign, including creative images and recommended copy for communications.

We are thrilled that you've chosen to participate in this important movement. If you have any questions, contact kyevtukhova@uscib.org.

Contents

This toolkit contains the following assets for promoting participation in the ***There's More to Be Done*** campaign:

- Campaign Messaging
- Campaign Logos
- Campaign Imagery
- Campaign Infographic
- Sample Email & Social Media Copy

Where noted a company logo can be added to the elements for further customization and co-branding.

All creative assets can be located at

<https://businesspartners2convince.org/learning-modules-toolkit/>

Logo Usage Guidelines

Placement:

To maintain consistency, the logo should be placed with proper space around the mark, based on relationship of artwork, copy and photos.

Uniformity:

Please safeguard uniformity when using the logos and ensure they are not stretched, rotated or colorized.

DO:

Empty space around all sides of the logo should be at least the height of "more"

DON'T:

Don't stretch or distort the logo

Don't change the logo colors

Don't rearrange or resize elements of the logo

From Global Organizations to Regional Networks

Dear [First Name],

We are thrilled to announce the launch of the Business Partners to CONVINCe **#MoreToBeDone** campaign!

#MoreToBeDone is designed to mobilize employers around the globe by equipping them with **tools and training** to build vaccine confidence among employees, and take action against preventable diseases like influenza, measles, and COVID-19.

It's simple, attainable, and vital for a safer workplace.

As a member of the [*name of network/organization*], we ask that you spread the word about this campaign to your [*regional network/members*].

Share these valuable resources, including:

- **Directions on** how to [join the movement](#)
- **Learning modules** to help employers [take action](#)
- **Creative graphics** and copy to [attract attention](#)

All **#MoreToBeDone** assets can be downloaded and co-branded for your communication outreach.

Your leadership matters. There's more to be done.

Thank you,

USCIB Policy Experts Contribute to The Economist Impact's Global Trade Week

The Economist Impact kickstarted its second annual Global Trade Week (GTW) in London on June 27. The summit commemorated the supply-chain resilience day on June 28, amid other thematic issues, and had a melee of high-profile speakers including Sabine Weyand (European Commission), Beth Baltzan (office of the United States Trade Representative) and Marcela Otero Fuentes (Ministry of Foreign Affairs of Chile). USCIB policy experts – Brian Lowry, Alice Slayton Clark and Norine Kennedy moderated panels during the week that focused on pressing issues around technology, data and supply-chain resilience.
